NURTURE • CHALLENGE • SUCCESS

Circular No. -TISB/2023-24/58

November 11, 2023

“Photography is the beauty of life captured.”

**Dear Parents,
Greetings!!**

Self-reflection and self-expression can be challenging at any age. Photography is an avenue for anyone, children or adults, to engage their creative side, express themselves, and learn more about themselves — by photographing things that matter to them, or capturing colours that appeal to them. Even the simple act of looking at, or trying, something new can expand an individual’s horizons.

The International School of Bombay takes immense pride to conduct Photo contest.

We are thrilled to inform to our students of classes VI to IX, can take part in this wonderful contest. Students can click Photographs and can send it to the official mail Id -: theisb.creative@gmail.com

We extend our best wishes to our students. We hope you encourage them to participate enthusiastically in this competition and let them fulfill their dreams and aspirations.

Kind Regards

The last day for submitting your clicked Photographs will be Saturday, 18 November 2023.

**Mrs. Vineeta Singh
Principal**
