Dear Parents,  
Greetings!!!

Subject: - School progressing towards children's success.

I hope this letter finds you in good health and high spirits. It is with great pleasure and pride that I write to you today to highlight the remarkable achievements of school till date.

Our school has always strived for excellence in education and I am thrilled to report to you that our teachers and staff are continuously working for the growth of students. I would like to share with you all the facilities available at school to make it a happy school.

Let me start with the following: -

**Academics: -**

- 1) Well-equipped and properly ventilated classes.
- 2) Facility of big sized digital smart boards and magnetic boards make the classroom more Hi-Tech and adaptive.
- 3) Well qualified and passionate teachers are appointed in all the classes.
- 4) Innovative teaching methods are adopted to help in the holistic development of each and every child at school.
- 5) Concept based activities in all classes to help develop the thinking skills of children.
- 6) Weekly class work PDF is being shared with you for all classes so that absentee children can make up for the loss due to their absence.
- 7) Extra effort and remedial classes for weak students are conducted regularly.
- 8) Well-equipped science labs to develop the interest of children in science.
- 9) Regular counselling by skilled and experienced counsellors to deal with social and emotional problems of the students.
- 10) Regular health and medical checkups are conducted by skilled and qualified doctors at school campus.
- 11) Regular trips outside school for every class related to their curriculum is being arranged.
- 12) Regular and comprehensive revision tests are conducted to brush up the knowledge of children before all assessments.

- 13) To boost the confidence and self-respect of our children we help and encourage each and every child to perform better in academics and extra-curricular activities by paying personal attention to all the children.
- 14) Our school has deep rooted belief in women empowerment and therefore the school has appointed all women teachers for all academics, sports and extra curriculum activities.
- 15) All the washrooms have been equipped with lady cleaning staff.

### **Sports and Extra Curricular Activity: -**

- 1) Special attention is given to develop physical and mental health of the children through a whole lot of sports activities, performing arts and visual arts.
- 2) A range of sports facilities are available with a special mention of Swimming, Kho-Kho, Basketball, Volley Ball, Football, Cricket, Marshal Arts and Yoga in our school.
- 3) Children from our school have represented themselves in the above-mentioned sports in various Inter school competitions and have often brought laurels.

### **Morning Breakfast:**

- 1) Children are provided with healthy and tasty breakfast during school hours.
- 2) Healthy, hygienic and tasty food is available in the school canteen for the children throughout school hours.

### **Birthday Celebration: -**

We celebrate birthdays of our students in school by cutting a cake with their classmates on their birthdays, to help them double their happiness on their special day.

### **Computer and Science Laboratory: -**

- 1) Advanced computer laboratory is available to help our children create interest in the state of art technology.
- 2) Separate and well-equipped science laboratory of Physics, Chemistry and Biology help to enhance the scientific skills of our students.

### **Mobile Apps: -**

- 1) School mobile apps are available to the parents for helping them solve their transport and academics related queries 24 X 7.
- 2) We also have a mobile app for sending daily homework to all our students and parents to keep them updated with the school work.

**Communication Centre: -**

Almost eight dedicated people are helping out in the communication centre to solve the problems of parents and children at the earliest.

**Transport Facility: -**

- 1) Our buses are travelling in all areas of the city to help our children reach school on time with comfort.
- 2) We are continuously adding new fleet of buses to raise the standard of transport. Eight new buses are already with us to help and upgrade the transport system.
- 3) Lady attendants are available in all the school buses to help out the children and make their travel comfortable.
- 4) Experienced drivers and lady attendants have been appointed for smooth functioning of the transport system.
- 5) Our buses have been installed with GPS system and CCTV cameras for safe and comfortable transportation of children to school every day.
- 6) A 24 X 7 mobile app is installed for the convenience of parents, where their transport related queries are addressed on an urgent basis.

**Safety & Security: -**

All the classes, corridors and buses are under the surveillance of CCTV 24 X 7 to add on to the safety and security of the children.

As we move forward, our commitment to providing an exceptional educational experience remains unwavering.

Thank you for entrusting us with your children's education and I look forward to celebrating many more successes together.

With best wishes and warm regards.

Principal

The International School of Bombay
