Subject: English Week from 23rd January to 27th January 2024

Dear Parents,

We are excited to announce a new initiative aimed at enhancing English speaking skills among our students at The International School of Bombay. Effective communication in English is a valuable skill that opens doors to various opportunities, and we believe in equipping our students with the tools they need to succeed.

Newspaper reading is one of the compulsory activity which will be taken up everyday in all classes for further enriching the General Knowledge and reading skills of our children.

Let's work together to create an environment where everyone feels comfortable expressing themselves in English. We look forward to seeing the positive impact of this initiative on our students' language skills.
