Holiday Assignment

Class-LKG-2024-25

Name- _____

Class- _____

This vacation let's learn with delight

Dear parents,

Vacation is the time for the children to explore their myriad interests and indulge in various activities which would lead to their all round development. In order to ensure the same we have framed some fun-filled holiday activities.

Here are a few tips for you (parents) to act as a facilitator to help your child to balance his/ her eagerness in pursuing adventure, creativity and self expression with development of responsibility.

- 1. Read stories in English regularly to your child to inculcate the reading habit. Use books with attractive illustrations and follow the basic rules of reading like using the index finger to trace the words from left to right while reading with expressions, voice modulation, pauses etc. Let them learn new words, to enhance their vocabulary.**
- 2. Engage your child in activities like watering and caring for plants to infuse the gardening skills.**
- 3. We have to understand that children at this age learn with repetition. Hence, have patience with them and repeat tasks for reinforcement. Instill in them by persistent instruction the general etiquettes, which they will gradually get used to in their daily life.**
- 4. Encourage and help your child in shouldering responsibilities. Shower him/ her with praises for all their small or big achievements so as to motivate. Hug them longer to reveal your affection and care towards them.**
- 5. Use the magical words like "Please", "Sorry", "Thank you" and "I Love You" very often in your conversations with children.**

HAVE A FUN FILLED VACATION

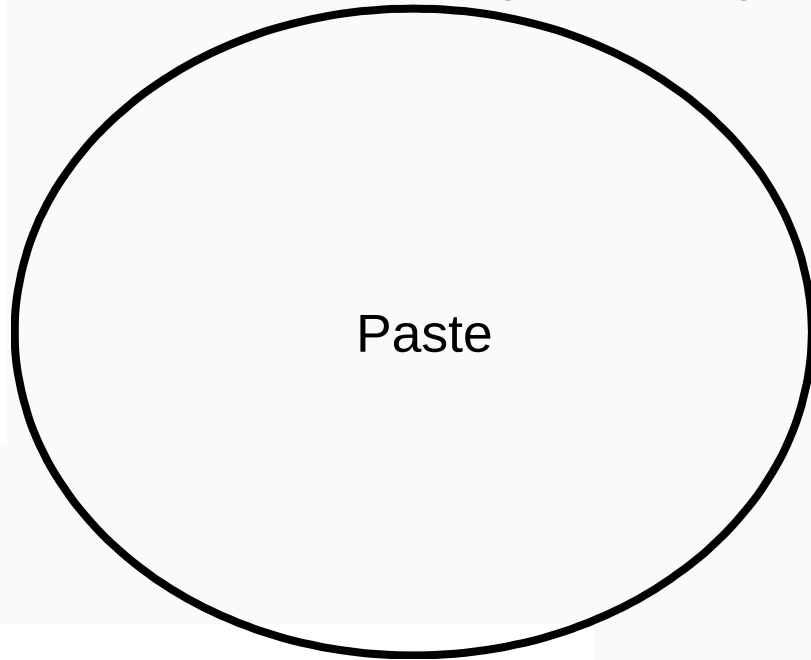

Trace the given shape and do the crayon shaving to make it colour ful

Activity sheet

Cut and paste the picture in the correction shapes

Activity sheet Hidden numbers

Find and Colour the number 1-10

Colour the picture according to the colour scheme given and make it beautiful

- Number -1 -Blue**
- Number -2 -Red**
- Number -3 -Yellow**
- Number -4 -Green**

Trace the patterns and colour the picture

Spot the difference

Find 5 differences between the pictures and colour
