To my country and all my people,

I pledge my devotion.

In their well being and prosperity alone

lies my happiness.

**Jai Hind...**

**I Am The ISBian... & I Am Enough...**

I am positive,

I love everyone with my whole heart;

I am fiercely loyal and beautiful,

I am independent, strong and courageous;

I am compassionate and creative,

I am authentic with my words and my sentiments;

I practice kindness and I forgive easily...

I make mistakes - but I learn from them and

I can do hard things;

I have the ability to love all my friends,

Watching my friends succeeding makes me happier;

I take risks even though I'm petrified of failure,

And I do this because my faith is stronger than my fear;

I see magic in everyone's eyes and feel hope in everyone's giggle;

I try every day to be a better version of Myself,

I Am The ISBian... and I'll never stop trying...

## SCHOOL PRAYER

### **Where the Mind is without Fear**

Where the mind is without fear, and the head is held high,  
Where knowledge is free,  
Where the world has not been broken up into fragments  
by narrow domestic walls,  
Where words come out from the depth of truth,  
Where tireless striving stretches its arms towards perfection,  
Where the clear stream of reason has not lost its way  
into the dreary desert sand of dead habit,  
Where the mind is led forward by Thee  
into ever-widening thought and action,  
Into that Heaven of freedom, my Father, let my country awake.

**Rabindranath Tagore**

## प्रार्थना

हमको मन की शक्ति देना, मन विजय करें  
दूसरों की जय से पहले, खुद को जय करें ।

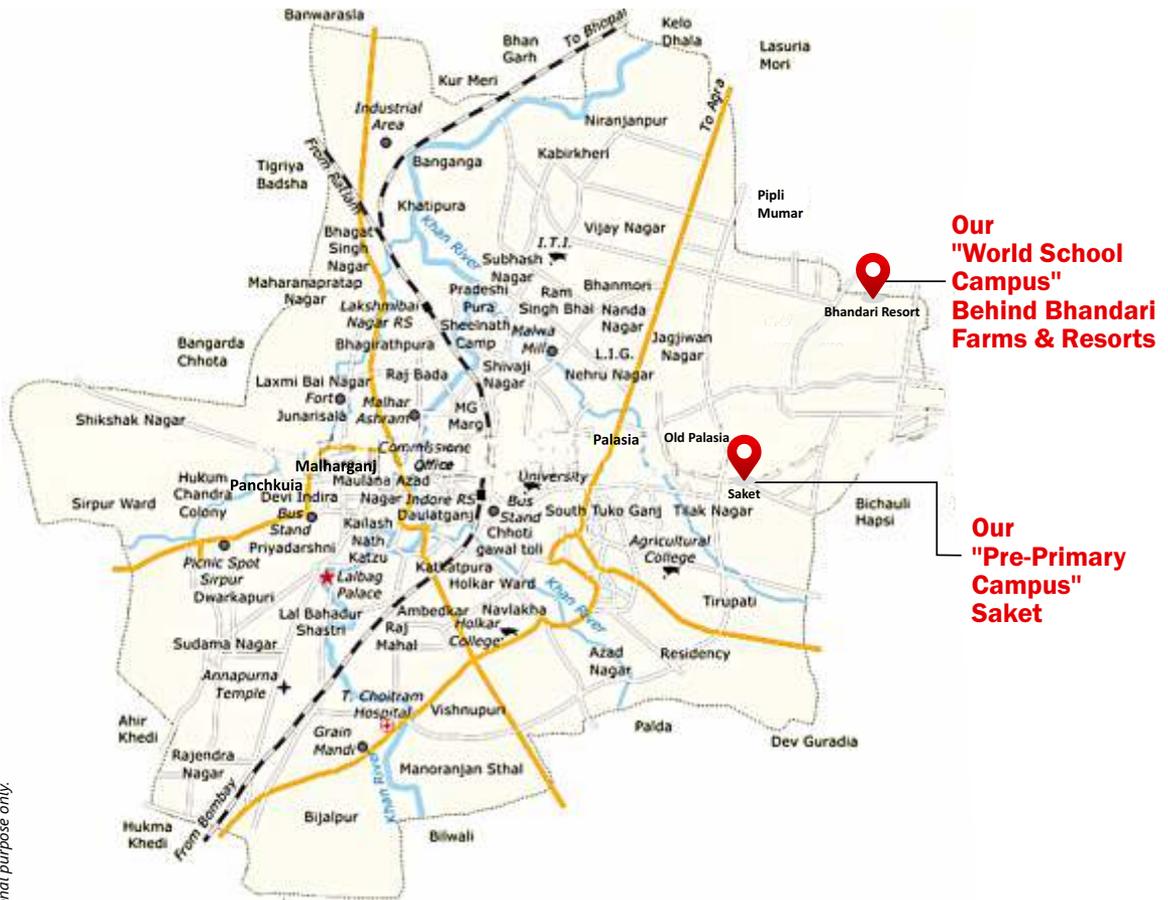

भेदभाव अपने दिल से साफ़ कर सके  
दोस्तों से भूल हो तो माफ़ कर सकें  
झूठ से बचे रहें, सच का दम भरे  
दूसरों की जय से पहले खुद को जय करें ।

हम को मन की शक्ति देना ।

मुश्किलें पड़ें तो हम पे इतना कर्म कर  
साथ दे तो धर्म का, चलें तो धर्म पर  
खुद पे हौसला रहे, बदी से ना डरें  
दूसरों की जय से पहले खुद को जय करें ।

हम को मन की शक्ति देना , मन विजय करें ।

We value all of these needs and understand their contribution to the development of happy students in an enjoyable, encouraging and stimulating atmosphere. The learning environment combines high standards with a broad and rich curriculum. ## **v) School Readiness**

There are certain parenting tips which we would like to share with you to help prepare your child for the first day at school.

- ✓ Prepare your child for the transition by talking to him/her about the school & the fun activities in the school a week prior.
- ✓ Practice being away by leaving them alone for short periods of time either with a relative or friend.
- ✓ The mode of transport is through school bus, familiarize the child with the vehicle & the driver
- ✓ Involve the child to prepare for school along with you, getting his bag ready, choosing his water bottle, discussing his snacks in the box, picking out comfortable clothes together etc. Setting a school routine from day one is important
- ✓ On the first day inform the child that ma, or pa may not be allowed to stay in the classroom for long. Reassure the child and tell the time that he/she will be picked up
- ✓ Inform the child where exactly you will be e.g., near the gate, in the office, at home etc. This helps the child feel secure.
- ✓ Use words & not bribes to encourage co-operation.
- ✓ Definitely tell him goodbye when you are ready to leave. The surprise of not having you there is much worse than the leaving.
- ✓ Make your goodbyes short & quick. A big smile & a quick hug & kiss are all that is required. A prolonged tight hug conveys your insecurity to the child.
- ✓ Make your child familiar with the school premises.
- ✓ The child's daily routine should be proper. The sleeping and waking up time should be well managed.
- ✓ Try to avoid late Sunday nights so that your child wakes up early, get ready in time and then can actively participate in school.
- ✓ The child should be fed something before coming to school so that he or she is energetic.

## **E) Standardized Rules and Regulations of School**

Our school rules and regulations have been established in partnership with the entire school community. We reflect the school community's expectations in terms of acceptable standards of behaviour, dress and personal presentation in the widest sense. Students are expected to follow the

school rules at all times when in school premises, classes, attending workshops & presentations, on the school garden, representing the school, attending a school activity or when clearly associated with the school i.e. when wearing school uniform.

## **F) Students have the following responsibilities:**

- ✓ To attend the school regularly.
- ✓ To respect the right of others to learn.
- ✓ To respect their peers and teachers regardless of ethnicity, religion or gender.
- ✓ To respect the property and equipment of the school and others.
- ✓ To carry out reasonable instructions to the best of their ability.
- ✓ To conduct themselves in a courteous and appropriate manner in school and in public.
- ✓ To keep the school environment and the local community free from litter.
- ✓ To regularly observe the uniform code of the school.
- ✓ To read all school circulars, notices and bring them to their parents'/guardians' attention.

## **3. EXPECTATION FROM PARENTS**

School is the extended arm of the family and teachers are the guardian of children. Parents are children's first teachers as well as school's crucial partners for nurturing children. Children pick up values from home, friends, school and neighbourhood. Each source contributes significantly in their lives & leaves an indelible impression on their vulnerable minds. Being parents, you can help your child to choose what is right and beneficial for them. They should be taught that if they stand for nothing, they fall for anything it is not doing the things right but doing the right things that really matter.

Don't expect miracles to happen overnight but have the indomitable conviction that together we can make the future of our children and can create an opportunity to live in a better society where our children will grow up to become honest human beings commanding respect from one and all.

As parents, you understand your child best and are ideally the person to share valuable information about your child's interests, needs, daily experiences and progress with respective teachers. Thus, expect teachers to tap on you as an important source of information. **You are required to attend parent-teacher meetings to help teachers create an enriching learning experience for your child.**

**The parent- teacher partnership is an on-going, collaborative effort to ensure that your child receives a quality school education in which child's potential and talents are fully maximized.**
