

Out of difficulties grow miracles. Tough time don't last.

Dear Students

The beginning of new session might not have been with pomp and show, but the spirit of teaching learning continues in the school. The summer vacations this time would not be ice creams, candies and cool pool, but time can be utilized in honing skills and interests.

It is easy to bloom, then to be a bud, but you are responsible young members of the nation and its our duty to follow rules.

Here are some holiday activities designed for creative utilization of time. Give a flight to your imagination and spend time purposely.

SOME POINTS TO BE REMEMBERED

- Drink plenty of juice and water to avoid dehydration.
- Make hand washing and hygiene a part of your routine.
- Holiday Homework is a part of subject enrichment and will be assessed on the basis of creativity and efforts of the students.
- It's the perfect time to enhance your speaking skills and vocabulary by conversing in English with your family and siblings.
- Reading is essential for those who seek to rise above the ordinary. Spend your quality time reading purposeful books.
- ❖ A beautiful handwriting makes a good impression. Practice one page of English and Hindi handwriting daily.
- Schedule your time for activities so that there is no piling up for the last moment.
- Holiday homework should be your authentic creative work.

GENERAL INSTRUCTIONS FOR SUMMER HOLIDAY

HOMEWORK

➤ Make a **separate copy/notebook** for the Holiday Homework (one combined notebook for all subjects).

- ➤ Write your name, class, section, and roll number clearly on the first page of notebook.
- Maintain neatness and complete the work in your own handwriting.
- > The holiday homework must be completed and submitted on the first day after the summer vacation.
- Theory questions must be written in proper format:
 - Write the chapter name and number at the top.
 - Write each question followed by its answer.
- > If practical work is assigned (e.g., making a PowerPoint presentation, typing tasks, coding practice):
 - Complete the task using a computer/laptop and take clear printouts or screenshots of the work.
 - Paste the printouts/screenshots in your homework notebook or attach them as annexures.
- > Clearly label each task with a heading and short description.
- ➤ Be creative if a project or model is assigned (e.g., flowcharts, posters, models etc.).
- ➤ Follow the given subject-wise sequence strictly while compiling the homework.
- > Subject-wise Sequence and Subjects:
- Classes 1 to 5:

English

Hindi

Mathematics

EVS

Classes 6 to 8:

English

Hindi

Mathematics

Science

Social Science

Sanskrit

Computer

NOTE

 Limit screen time and refrain from engaging in an inappropriate online behaviour.

 Holiday Homework will be assessed as SUBJECT ENRICHMENT

English Summer Assignment

Q1. Read the passage and answer the following questions.

READING

The river flows gently, shimmering under the golden sunlight. Trees line its banks, their branches reaching out like fingers to touch the water. Birds chirp and swoop overhead, dipping down to catch a drink. Fish dart beneath the surface, playing hide and seek in the cool depths. Canoes glide silently along, their paddles dipping into the water with a soft splash.

Questions:

- 1. What does the river look like under the sunlight?
- 2. How are the trees described along the riverbanks?
- 3. What do the birds do around the river?
- 4. What can you find beneath the surface of the river?
- 5. How do the canoes move along the river?

Q3.

Read a newspaper daily. Write 5 new words daily. Write their meanings and frame sentences on each. (Saturdays & Sundays can be off for this task)

WRITING

Q4.

Look at the picture given below and write 5-7

sentences.
