Dear Students,

Your summer holidays are about to begin, and they should be fun-filled, refreshing, and meaningful. Summer vacations are important because they give you a break from your regular school routine and help you relax, explore new things, and spend quality time with your family.

During these holidays, try to learn something new and useful, such as a hobby, a creative activity, or a life skill. You can read interesting books, help your parents at home, and enjoy indoor games that make you happy and active.

At the same time, take care of your health. Avoid going out in the hot sun during the afternoon. Drink plenty of water to stay hydrated and eat healthy food. Follow a simple daily routine so that you remain active and fresh. Remember to complete your holiday homework regularly. Do a little work everyday instead of leaving everything for the last moment. This will help you learn better and enjoy your holidays without stress.

Happy Summer Holidays!

Regards, The International School of Bombay
