Dear Parents,

Greetings!!

It's time to put on those sunglasses and welcome the sunny days of summer! Our tiny tots have worked hard and now deserve a season full of giggles, play, and fun.

Let your child:

Splash in safe water play,

Create magic with colors and crayons,

Listen to bedtime tales under the stars,

And dance like no one's watching!

This break is a wonderful chance to build beautiful memories and spark curiosity. Encourage them to explore, imagine, and enjoy the little wonders around them.

We are sharing some worksheets for our little ones kindly take a print of it and help your ward to practice the same.

Wishing you a cool, creative, and joyful summer holiday!

With warmth and smiles,

Pre Primary wing!!

SUMMER ADVENTURE: LEARNING WITH FUN !

Dear Parents,

Summer vacations are a wonderful time for children to explore, bond, and learn through hands-on experiences!

To help our little ones develop Responsibility and Physical Well-being, we encourage them to participate in these Physical & Practical Life Activities daily

:

*🍅 **Helping Hands in the Kitchen*** : Let your child assist in washing vegetables or setting the dining table. This builds confidence and a sense of responsibility.

☀️ ***Watering Plants*** : Spend time together in the garden every evening. It's a great way to teach them about nature, flower colors, and leaf shapes.

Animal Yoga : Make fitness fun! Practice poses like the Cat Stretch, Butterfly Pose, or the Frog Jump together for 5-10 minutes.

*📷 **CAPTURE & SHARE THE JOY*** :

We would love to see our little stars in action! Please take clear photos or short videos of your child performing these activities and upload them to the school link provided below:

Let's work together to make this summer productive and full of precious memories! ✨

**Warm Regards,
The International school of Bombay**
