Let your child:

Splash in safe water play,

Create magic with colors and crayons,

Listen to bedtime tales under the stars,

And dance like no one's watching!

This break is a wonderful chance to build beautiful memories and spark curiosity. Encourage them to explore, imagine, and enjoy the little wonders around them.

We are sharing some worksheets for our little ones kindly take a print of it and help your ward to practice the same.

BIRD FEEDER

To inculcate the habit of helping the birds around us, let's make a bird feeder with a waste water bottle.

FOR THIS ACTIVITY-

Use a plastic bottle, string, sticks and bird seeds. Make perches with sticks, drainage holes and feeding holes 7-8mm wide.

Parents must make sure of taking photos of their bird feeder and submit to their class teacher on an A4 size sheet.
